Looking to Volunteer

NEXT YEAR?

DATE NIGHT

Each month, F4F hosts a "Date Night" in each of our offices where families can drop off their children at a local church for supervised activities to take the evening and reconnect as a couple. Our volunteers watch children from 0-17 years old for approximately 4 hours.

MEALS

Whether you can donate a meal once a week, once a month, or as a one-time gift, this is a need! Families 4 Families tries to provide meals as often as we can for our families to lighten the weekly load of cooking. We do this through partners like you purchasing from a selection of gift cards!

BABYSITTER

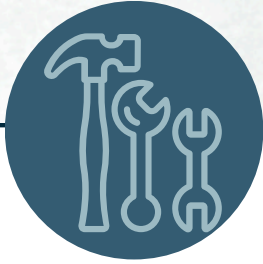

This is someone who can come and pick up a child and take them out for a few hours, or come and watch the child at the foster families' home.

These adults are essential for a child to help develop healthy relationships with other people in the community.

PRAYER PARTNER

Many of our families are ministering to children who have been exposed to severe trauma, including physical, sexual, and verbal abuse. This can take its toll on marriages and families. Would you commit to praying weekly for a family?

HANDY MAN

Many times, as a foster family, simple items can be a big challenge. We need people who can help put together cribs, beds, swing sets, and do basic yard maintenance to come alongside and serve our families when needed.

BIRTHDAY BAGS

Every year, Families 4 Families provides a birthday bag for each one of our foster children to celebrate their birthday! This year, we will make about 250 birthday bags for our children. When you give funds towards this, we take care of the rest!
